

Email Announcing Creative Workbook Release

#3 - Teaser email (7 days after book launch)

By Aimee N. Youngs

Subject line: Are You Ready to Get Creative?

Dig in, Creatives!

The “work”book is out! [Picture of cover]

You can learn more about the benefits of creativity for stress and how the “work”book helps on the [product launch page](#). Or, [order it here from Amazon](#). Don't forget about your friends – this book also makes a great gift!

Loving the book?

Once you have a copy of the book and have tried several exercises, I ask if you would [write a review on Amazon](#) regarding your experience. I would be grateful for your honest reviews!

Tell ‘Em About It.

Spread the love by [visiting the launch page](#), scroll down to ‘Spread the Love’, then share via email, or post to your favorite social media platforms.

Workshops

Lastly, I am planning to develop some workshops around the concept of the book...do you know anywhere that would be a good place to hold a workshop like this?

Creatives, I sincerely appreciate your support! As always, reply to this email to let me know any thoughts, questions, feedback or ideas you might have.

Just as you breathe, create!
